## PIONEER INSTITUTE - At a glance

### 16 Years of Diligence and Excellence in Education

Pioneer Institute of Professional Studies, Indore was founded in the year 1996 with visualization of enduring eminence and education in the field of IT and Management. Within the short span of its naissance, the institute has carved a niche for itself amongst the top reputed business schools in India. Its reputation is fast growing in not only the Under Graduate and Post Graduate programs but also for Academic Research, National Level Students Convention, National Level Workshops, Seminars and Projects, Teaching Developmental Activities and National and International Conferences. The institute is conferred with permanent affiliation from Devi Ahilya Vishwa Vidhyalaya, Indore and is recognized as a reputed Research centre in Management. We at PIPS believe in the all round development of the apprentice, which includes the fortitudes of prodigy like Vivekananda and Bill Gates. We want to create an environment where our ethnicity and traditions go hand in hand with the material world. In broader aspects, we intend to bring out the best of both the material and spiritual sides of a student. At Pioneer, we are tenacious in bringing out the best in all students by acceding them to explore their full potential, resulting in a confident, committed and a successful individual.

### About the Conference

Over the last 10 years, technology has changed the way the world works, plays, communicates and shops. Many of these changes are seen the world over, some are restricted to more advanced countries. The speed with which the revolution in information and communication technology (ICT) has taken place is phenomenal. ICT have many opportunities such as: Making learning more interesting especially for hard-to-understand issues, breaking literacy barriers in communication, research and useful information sharing, access information on jobs/internships, creation of new employment opportunities, create entertainment opportunities, provide educational and health information etc.
