Message from the Desk of the Chairman

Today's youth are the most prized resource for a better tomorrow. Hence the need to foster them by providing the best education possible is of utmost importance. At Pioneer, we strive for high standards in the transmission of knowledge, within a dynamic and interactive environment, thereby enabling our students to gain distinction and honors in their chosen fields.

The Institute set out with the very clear vision that in today's world, the very definition of education has transformed. 'Mentoring' takes precedence over mere transmitting of information and there is a critical difference between acquiring information and understanding.

We believe in providing hi-tech infrastructure of global standards, stretching objectives in its venture to raise standards, attainment of aptness precision faultlessness par excellence in all fields, empowering faculty with the newest trends in education techniques and equipment and creating liberal citizens, who will hold the steering wheel of society.

Thus, it is crucial that the nurturing of ethical values and behavior must underpin the entire education system. Only then can we empower the young to deal inconsistency with confidence, self-reliance self-assurance and show understanding and compassion in their dealings.

Dr. CA P.K. Jain

Pioneer Institute of Professional Studies

Message from the Desk of the Executive Director

Education has continued to evolve, diversify and extend its reach since the dawn of human history when a new direction has to be given to an age old process. That moment is today.....

Learning should be a passionate, interactive process in which students are allowed to explore and evolve objectives. An environment that is conducive to learning is one which allows space to express opinions, set up communication and build skills and resources. While the Institutes are committed to building such an environment, the belief is that the learning is not complete without the commitment to the same ideals, and only then the magic will unfold.

The flourishing infrastructure and technology and tools deployed are designed to reinvent the the plethora of cultural and sports activities all go to make the learning process a delightful finding.

The prime goal of our Institute is the development of the all-round personality of each student and to undertake pioneering scholarly activities for students, staff members, parents and community at large, to expand their horizons, by providing much needed quality education to the youth.

CA Prashant Jain

Pioneer Institute of Professional Studies

Editor's Message

This issue of "Darpan" is filled with curricular activities offered by the Institute that facilitate the students to an overall personality transformation, training them to be better managers, better Team Worker and leader as well as better individuals. The fun filled activities instill in them, an obsession for creativity and innovation. The programs positions stress on well-formed personality improvement of the students and also in inculcating the standards of relationship and uprightness in them.

We envisage a future as the finest educational institution of the country by providing multiplicity and diversity of activities and achievements.

We dream, desire and yearn to train each student to have command of conception and comprehension, to facilitate them the access to the best openings for privileged education, to make learning simpler, smarter and realistic, to develop true independence with mutual harmony, to enhance physical, mental and spiritual growth through a perfect blend of academics, extracurricular activities, games and sports and culture programs and events to narrow the gap between privileged and underprivileged youth in our society.

The strong lights, the enigmatic DJ, was subtle but powerfully rendered were the show stealers. The Dances and Songs were class apart and enthused crowds.

Pioneer Eve, a mega talent, mega event show was a melting pot of activities. The exquisite show was re modeled into a virtual treasure as the eclectic mélange of activities from dances to creatively inclined art and craft competitions to the unique endeavor in the form of fillers saw massive participation. The mega event witnessed record breaking participation from the enthusiastic students. We intend to create and cultivate deep roots of Indian tradition and culture in the modern youth. Sharing and thoughtfulness must come to them impulsively.

Dr. Mona Tawar

Pioneer Institute of Professional Studies

Message by Prof. Isha Jain

In order to recognize the importance of providing educational activities that enrich and broaden student experiences as an integral part of the curriculum as well as beyond the normal academic day, the Institutional Committee supports the development of co-curricular and extracurricular programs in accordance with the policies established.

Co-curricular programs are defined as those activities that enhance and enrich the regular curriculum during the normal days. Extracurricular programs are defined as those activities that broaden the educational experience which usually take place beyond the normal college day. Students who desire to participate or be the Volunteer shall do so with the understanding that it is a privilege for them to be the member a team. All students are invited to participate and the activities are designed to meet the needs of and to stimulate interests expressed by students and should cover a broad range of abilities. There are equal opportunities for all students to participate in such programs.

Recognizing the positive aspects of co-curricular programs that enrich and enhance the regular elementary college program, the College Committee supports the development of such activities in all areas of the approved curriculum.

Conventional cultural activities, such as band and art class, benefit high school students by bolstering their general commitment to socio-educational goals, such as college attendance. In the case of elite college admissions, on the other hand, exposure to high-status cultural forms would appear to play a strong role, though not in ways that are easily transmitted to students through secondary schools.

Prof. Isha Jain

Pioneer Institute of Professional Studies

Student Development Program

Udbhav 14-15 April, 2011

Udbhav is the biggest stage for cultural events a Pioneerian can look for. The best singers, groovy dancers, mimickers, marketers, painters, actors, budding directors, choreographers, acclaimed musicians, all came down to achieve and be recognized at the largest of platforms.

On 14th April, 2011, Udbhav had into its fold, an assortment of events lined up, starting with all the in-house events on the first two days and nights to set the tempo for the remainder of the events.

On the first day i.e. *14th April, 2011* it had Parents meet, which helped to communicate to parents the areas their children are excelling in and to give them specific ideas of how to improve upon their performance. We believe that parents and teachers share a common treasure—the student. It is as if they are partners in joint ownership of a valuable corporation.

The child they share also represents the values of the Institute. If we are to nurture them properly and ensure their success, we must be intentional about establishing good communication. With an intension to develop communication, allowing parents and teachers to make plans, set goals, solve problems, and establish the relationship that they need in order to have a good partnership, a *PTA* was organized. The evening witnessed roaring participation from the teacher community and the parent community fosters bonds on an informal note.

Then the most awaited moment was *Alumni Meet* where ex students of the Institute assembled to share their experiences and display their talent. There was dance, singing,

Instrument playing, speeches and experience sharing session. A close association developed between juniors and seniors.

Delicious rounds of feisty food further stoked the happy vibes.

Putting the Cultures into motion was our second day i.e. **15th April, 2011**, where a string of events not only tested the skills but also to check their fun quotient.

As our grand finale, we had the rocking show where we had leading DJ to ease the banging of heads and the swaying of bodies. We most heartily waited for them with the most happening strums and drum rolls.

Pioneer kept the spirit of merry making live and kicking by hosting its much awaited Cultural Evening. The evening which was enlivened with the rhythmic beats was a class apart as the performing artists charmed everyone into shaking legs. The irrepressible charm of peppy music exalted one and all to a different realm of ecstasy. The evening was further embellished with interesting competitions and prizes and merry making and gaiety continued late onto the night.

It was an Annual Extravaganza, where the program was embellished by the presence of **Mr. Vijay Akodia, Founder Dance Indore Dance, Indore, Mrs. Ragini Mathur, Vice Principal, Pioneer Convent, Mrs. Sushma Moghe, Music Teacher, Pioneer Convent.**

The program was well attended by the members of the Pioneer Society, Faculty and Students.

Prasanna Vyas, Pravesh Shukla (Solo Singing), Ved Prakash Bharadwaj, Priyanka Kantharia, Ankur Modi, Shivangi Saxena (Duet Singing), Arti Bhavsar, Priyadarshni Gupta, Madhuri Kriplani (Solo Dancing), and Indian Spirit, Appie & Group, Duds & Divas (Group Dancing) and many more shining stars, very fine and sensitive dancers and singers left everyone spellbound by their expressive and dynamic performance. On this day the Institute made a conscious effort to promote their rich cultural tapestry amongst the students in order to facilitate an awareness of their deeper and subtler values.

Report

12th National Conference

on

EMERGING TRENDS IN COMPUTING & COMMUNICATION

ETCC-2011

In Association with

Computer Society of India (CSI)

Sponsored By

All India Council for Technical Education, Bhopal (AICTE)

(May 06, 2011)

The Management and Members of Pioneer Fraternity and Computer Society of India, with a desire to share knowledge and information in the field of IT, organized the **12th National Conference on Emerging Trends in Computing & Communication** on May 6, 2011. This Conference was organised in Association with CSI and Sponsored by AICTE, New Delhi.

(Guests releasing Conference Proceedings, Standing L-R: Dr. V. K. Jain, Dr. Sanjeev Tokeker, Shri P. C. Jain, Dr. D. B. Phatak, Dr. P. C. Sharma, Dr. M. P. S. Chawla, Dr. P. K. Jain)----->>>

The Conference was divided in **Four Sessions**. The **First Session** was the **Inaugural Ceremony** that started at 9:30 a.m. and continued till 11:30 a.m. The **Chief Guest & Keynote Speaker** was **Dr. D.B. Phatak, Professor, IIT, Mumbai** and the **Guest of Honor** **Dr. P. C. Sharma, Advisor, SDBCT, Indore**. **Special Guest** was **Dr. Sanjeev Tokeker, Director, IET, DAVV, Indore**, and **Chairman, Technical Committee** was **Dr. M. P. S. Chawla, Prof. SGSITS, Indore** and **Secretary CSI-IEEE Society, M. P. Sub Section**.

There was also **Release of the Book** titled **"Information Technology and Business Intelligence"** and **Conference Proceedings "Emerging Trends in Computing & Communications, edited by Dr. V. K. Jain, CA Prashant Jain, Dr. Mona Tawar and Prof. Shweta Mogre**.

Pioneer Institute of Professional Studies, Indore was privileged to award **Pioneer IT Excellence Award – 2011** upon the mastermind of IT, Institution Builder and the pride of mankind, **Late Dr. Manohar Chandwani, Director, IET, DAVV, Indore** for his unmatched & commendable contribution in the field of Information Technology. Mrs. Ritu Chandwani, wife of Late Dr. Manohar Chandwani accepted the Award.

(Mrs. Ritu Chandwani receiving IT Excellence award on behalf of Late Dr. M. Chandwani)----->>>

Pioneer had the honor and admiration of venerated presence of elite personalities to observe the rare moment when the Tribute was offered to the IT Guru Late

Dr. Chandwani. To witness this special moment and to grace the occasion, very renowned dignitaries were present. **Dr. Nirmal Dagdi, Director, SDBCT, Indore, Dr. Maya Ingle, Director, IICA, Indore, Dr. Durgesh Mishra, Dean, Research Acropolis Institute of Technology, Indore and Chairman CSI-IEEE Society, M. P. Sub Section, Dr. B. M. Singhi, Director, Medicaps Institute of Technology and Management, Indore, Dr. D. T. Manwani, Director, IIST, Indore, Dr. V. K. Gautam and many more became a part of the crowd.**

Dr. D. B. Phatak, Dr. P. C. Sharma, Dr. Sanjeev Tokeker, and Dr. M. P. S. Chawla captivated the audience by their knowledge and experience. They informed the audience regarding the IT field, the innovations in IT, the education system, Research and Development, ethics and values, integrity. All of them recalled the dedication and passion of Late Dr. Manohar Chandwani.

(Dr. D. B. Phatak delivering Keynote Address)----->

The ceremony was marked by Presentation of Mementoes to all the dignitaries. A Word of Thanks was offered by **Prof. Shweta Mogre, Conference Joint Secretary.**

The **Second Session** was a **Panel Discussion**. The Topic of the Panel Discussion was **Computing and Communications: From Home Corporate** which continued from 12:15 p.m. to 1:00 p.m. It was very enlightening and had a very good response from the audience. The following members were in the panel discussion:

- **Dr. Nirmal Dagdi, Director, SDBCT, Indore**
- **Dr. Maya Ingle, Director, IICA, Indore**
- **Dr. M. P. S. Chawla, Prof. SGSITS, Indore**
- **Dr. Shashi Prakash, Professor IET, DAVV, Indore**
- **Dr. Priyesh Kanungo, Director, Patel College of Science & Technology, Indore**

to

- **Dr. Umesh Singh, Director, Institute of Computer Science, Vikram University, Ujjain**
- **Dr. Ajay Verma, Professor, IET, DAVV, Indore**
- **Prof. Amiya Pahare, Deputy Director, Swami Vivekananda, Career Guidance Scheme, Indore (Moderator)**
- **Dr. V.K. Jain, Director, Pioneer Institute of Professional Studies, Indore**

The Panel discussion also had the participation of Faculty and Students. The inquisitive audience had a very good interaction with the members.

The *Third Session* was **Plenary Session and Expert Lecture** that continued from 2:00 p.m. – 3:00 p.m. The Key Note and Expert of this session was **Dr. N. S. Chaudhary, Professor, IIT, Indore**, who mesmerized everyone by his intellect. He gave an excellent presentation that was very informative, especially to the students, whether they belonged to IT or Management.

In the *Fourth Session, Two Parallel Technical Sessions were organized* that started from 3:00 p.m., continued up to 4:30 p.m. The Sessions were Chaired by **Dr. Sanjay Tanwani, Prof., School of Computer Science, DAVV, Indore** and **Dr. Vrinda Tokekar, Prof., & Head, IT, IET, DAVV, Indore**.

In the Sessions, various papers were read out by the Researchers on the themes such as *Green Computing, Cloud Computing, Cluster Computing, Embedded Systems, Network Security, e-Business, e-SCM, etc.*

Delegates enriched their knowledge and skills by the thought-provoking and brain storming discussions by the senior researchers.

The Valedictory Ceremony started from 5:00 p.m. and closed at 6:00 p.m. *The Chief Guest was Dr. Raj Kamal, Professor, School of Computer Science, & Ex Vice Chancellor, DAVV, Indore* and *the Special Guest was Dr. S. L. Garg, Principal, Holkar Science College, Indore*.

In the Valedictory Session, Dr. Rajkamal stressed upon the effective utilization of available resources to excel on the personal and professional life. He motivated the audience by quoting the example of Bill Gates about his determination and commitment towards the profession.

Dr. S.L. Garg said that Computing has affected our day to day life and in today's scenario. Everyone is so dependent that without computers and mobiles life is not possible.

The Conference ended with the Certificate & Group Photograph distribution to all the delegates, and Volunteers.

The Management Committee honored the contributions made by the Conference Organizing Team for making the event a grand success.

The Inauguration Ceremony and Valediction Ceremony was conducted by Dr. Mona Tawar.

The Conference Chairman was Dr. V. K. Jain; CA Prashant Jain was the Conference Secretary; Dr. Mona Tawar and Prof. Shweta Mogre were Conference Joint Secretaries.

New Initiatives

DIRECT TEACHING:

Advantages:

- > *Very specific learning targets*
- > *Students are told reasons why content is important - helps to clarify lesson objective*
- > *Relatively easy to measure student gains*
- > *Is a widely accepted instructional method*
- > *Good for teaching specific facts and basic skills*

Preparation:

- > *Content must be organized in advance.*
- > *Teacher should have information about student prerequisites for the lesson.*

COOPERATIVE LEARNING:

Advantages:

- > *Helps foster mutual responsibility*
- > *Supported by research as an effective technique*
- > *Students learn to be patient, less critical and more compassionate*

Preparation:

- ➔ *Decide what skills or knowledge are to be learned*
- ➔ *Requires some time to prepare students to learn how to work in groups*

LECTURE:

Advantages:

- > *Factual material is presented in a direct, logical manner.*
- > *May provide experiences that inspire*
- > *Useful for large groups*

Preparation:

- > *There should be a clear introduction and summary*
- > *Effectiveness related to time and scope of content*
- > *Is always audience specific; often includes examples, anecdotes*

DEVELOPMENTAL ACTIVITIES

COMPUTERS

The Institute already had e-Library facility from EBSCO and the facility is supplied in two computer labs having a total of 120 capacity. However, the management felt that few systems should also be given in library itself for better accessibility. Hence, the Institute has purchased 20 new computers of latest technology for developing e-library within the centralized library.

LIBRARY

The Institute has started redecoration and renovation of the Library with the wall to wall flooring of the tiles to switch boards on each table so that the students can hook up their Laptops, covering the facility of air cooling. The seats and spaces have been increased to 100. The design and the setting have been changed considerably. Also the exquisiteness and attractiveness is marked by arresting glass elevation. There are now detached sections for Issue/Receipt of books and separate almirah / space for bags.

INFRASTRUCTURE

The flooring of the IInd Floor of the Administrative Building is being renovated.

EXAMINATION & RESULT

The Examination of the Under Graduate and Post Graduate Program started exactly as per the Academic Calendar i.e. June 17, 2011. The Result was declared within record time of 22 days i.e. June 23, 2011. This brilliant performance, achievement and applause go to the Examination Committee and the entire team of Faculty, who worked day and night for the realization of the goals.

PIONEER WEBSITE

With immense pleasure we announce that **PIONEER INSTITUTE OF PROFESSIONAL STUDIES, INDORE** has come up with a **“CMS BASED WEBSITE”** which will enable faculty and students to access or get any sort of information related to the Institute. The Institute has invested large amount of money and resources to make this site user friendly and content rich. The website which all will see now is based on **CMS – Content Management System**.

To highlight the major / key advantages which one can get from CMS website:

URL: www.pioneerinstitute.net

About the site, it's working, purpose and other such details:

ABOUT THE SITE:-

The site is LIVE in nature which means one can SURF as well as ACCESS at the same time. With the help of this site one can know the Institute better.

Let's glance through the KEY ELEMENTS that are provided in the site for the purpose of SURFING and ACCESS:-

HORIZONTAL AND VERTICAL MENU OF WEBSITE:-

ABOUT US:-

INTRODUCTION

ADVISIORY BOARD

MESSAGE & TESTIMONALS

FACULTY

- ❖ **Know your Institute better** – In this section one can glance through the Philosophy, vision, Mission, Quality Policy etc and know what we look out in the most promising PIONERRIAN with this one can also know about the management and faculty members at Pioneer Institute.

COURSES OFFERED:-

UG COURSE:

BACHELOR OF BUSINESS ADMINISTRATION (BBA)
BACHELOR OF COMPUTER APPLICATION (BCA)
BACHELOR OF COMMERCE (PLAIN) (B.COM)
BACHELOR OF COMMERCE (COMPUTER APPLICATION) (B.COM)
BACHELOR OF COMPUTER SCIENCE (COMPUTER APPLICATION) (B.Sc)

- ❖ **Syllabus, Curriculum, Internal Component Scheme related to UG Courses** – We have uploaded batch wise syllabus, curriculum, Internal component scheme on website which you can download anytime for your reference.

PG COURSE:

MASTER OF BUSINESS ADMINISTRATION (MBA) (FULL TIME)
MASTER OF BUSINESS ADMINISTRATION (MBA) (PART TIME)
MASTER OF COMPUTER APPLICATION (MCA)
POST GRADUATE DIPLOMA IN MANAGEMENT

- ❖ **Syllabus, Curriculum, Internal Component Scheme related to PG Courses** – We have uploaded batch wise syllabus, curriculum, Internal component scheme on website which you can download anytime for your reference.

PhD IN MANAGEMENT:

FACILITIES:-

CAMPUS
COMPUTER LAB
LIBRARY
CAFETERIA

HOSTEL
AUDITORIUM
CONFERENCE HALL
LECTURE THEATRE
SPORTS FACILITIES

- ❖ **Know the Premises** – In this segment one can get knowledge about the Infrastructural Facilities provided to the students at Pioneer.

ADMISSION:-

ADMISSION PROCEDURE
ADMISSION FORM
FEE STRUCTURE

- ❖ **Admission Procedure / Form / Fee Structure** – Any Query related to admissions, forms, fee, last date of fee submission etc can be clarified from this slot.

ACTIVITIES:-

TEACHING METHODOLOGY
FACULTY DEVELOPMENT
PROJECT WORK
SPECIAL LECTURE SERIES
CONFERENCE, SEMINARS AND WORKSHOPS
COLLEGE ANNUAL EVENT- UDBHAV
EXPERIENCE SHARING SESSION

STUDENTS SECTION:-

ANTI RAGGING RULES
CLASS ASSIGNMENTS
LECTURE PPT AND NOTES

- ❖ **Class Assignments / Lecture PPT / Notes / Study Material** – Every material which the students are getting through any faculty members will now be directly uploaded on website so that there is no problem in sharing / downloading.

BATCH DETAILS

MBA 2010-2012
 2009-2011

PAST EXAMINATION PAPERS

- ❖ **Past Examination papers** – Often students find difficulties in finding past examination papers and getting photocopies from library. Now they can download all past examination papers for all courses and all subjects directly from website.

PLACEMENTS:-

- ❖ **Placement related news** – All the news related to the placement activity will be shared with in this particular slot, this will include campus details (off and on campus).

RECENT PLACEMENTS

INDUSTRIAL VISITS

- ❖ **Industrial Visit related news** – This will contain all details such as Name of Organization to be visited, Date of Visit, Name of Students who will be visiting Industrial Visit Report (Contents) etc.

SUMMER INTERNSHIP PROGRAM

- ❖ **Summer Internship Related news** – This segment will contain all the details related to the SIP Program such as Companies available, Duration of SIP, SIP Report Format etc.

PRESS RELEASE

PRESS CLIPPINGS

R & D:-

MINOR RESEARCH PROJECTS

MAJOR RESEARCH PROJECTS

RESEARCH PAPERS

- ❖ **Access to Articles / Research Papers published at various conferences / seminars conducted by Institute** – We have created separate website namely www.pioneerjournal.in where you can find access to 1000s of research papers / articles to enrich the knowledge of all.

CO CURRICULAR ACTIVITIES:-

ABOUT CO-CURRICULAR ACTIVITIES

PAPER ARTICLE PRESENTATION

LOCAL, NATIONAL AND INTERNATIONAL PROBLEMS

DEVELOPING A BUSINESS PLAN

GD, PI & ENGLISH CLASS

DECISION MAKING TO A PRODUCT

CRITICAL ANALYSIS OF PRODUCT
MARKET SURVEY REPORT

- ❖ **Electronic Notice Board** – Everything which is notified by means of Notices / Circulars / Announcements to you will now be available on website under “Notice Board” Category which you can access anywhere anytime. Notice Board is categorized for MBA, UG and PGDM Courses, so that students do not get confused.

MANDATORY DISCLOSURE AND COMPLIANCE CONTACT US

We are confident that this website will help everybody to keep themselves updated on the various activities which are to take place at PIONEER INSTITUTE along with this the site will help to know the Institute in and out.

We hope that being a PIONERRIAN one will fully utilize the facility and keep themselves updated of the various activities which will take place in PIONEER.

We would like to offer our special thanks to *Prof. Rashmi Badjatya* who had worked hard to give shape to the website. She has been consistently working on website since last one and half months and has posted almost all around 99% articles.

Also we would like to thank all the technical and support team especially *Shri Amal Singh (Scorpio Informatics)* without whom we would have not imagined our website.

I also value and thank for the contributions, suggestions, and information, provided by *Dr. Mona Tawar, Prof. Kumkum Sinha, Mr. Rakesh Yadav, Mr. Omprakash Banga, and Mr. Vijay Verma.*

Our Expectations from students and users

- ❖ We would heartily welcome all suggestions from students to improve the website. Your suggestions can be emailed at pipswebsite@gmail.com
- ❖ In case you feel like any content is not in order / not up to date / incorrect / contains spell errors, etc you can mark an email to pipswebsite@gmail.com
- ❖ In case you require that certain content should be available on website you can send the same as attachment to pipswebsite@gmail.com

You can contribute articles, papers, question banks, knowledge sharing newspaper articles, educational video (uploaded on you tube), creative things like poems, drawings (to be given in image format / scanned format only), creative banners for front / home page, etc. All suggestions, creative things will be appreciated and duly acknowledge on our website. All such things to be emailed at pipswebsite@gmail.com
